Accidents at Heesom Green farm have escalated and there have been two in the last week. These are to be reported to CE Highways and Cllr Walton to see what can be done to improve the situation. To be reported to the local police to see if the owner can be advised to park off the road.

**16.31 Highways**

**Walk to school** – so far LPPC have put £2000 and CWAC £3000 towards this project. While the parish council are sympathetic towards this scheme, there is a concern that the funds might be better served used to solve the wider issue of the traffic problems in the area around the school. Therefore the Parish Council are to speak to the school about possible fundraising and other parking and traffic management solutions. There is to be a time limit of 12 months put on the funds so that this project does not roll on and on.
