Supported by Lower Peover Parish Council & local business

WE ARE RE-OPENING THE SUPPORT GROUP

In view of the governments decision to place Cheshire East, and Cheshire West and Chester, into the Tier 2 of the COVID-19 lockdown rules in England, we have decided to open up the Lower Peover COVID-19 Support Group again.

We are hoping that by now you have heard of our community group of over 40 volunteers that have come together to support local residents during this time, and are here to lend a helping hand to our neighbours in need.

Do you need help with:
