**17.13 Police Report** – PCSO Kelly Mankee will make a report available to the Parish Council as the one presented to the meeting was not suitable to be put online as it was not all relevant to the area. Operation shield is to be followed up by the Clerk.

The police speed team has been out and offending seems to continue. Therefore the area is a target area for speed reduction and police will continue to be a presence.

The Speed Limit on the Cobbles was discussed. The school has sent communication out to all parents to ask them to slow down and drive in a considerate manner. The Police are also going in to school to speak to the children. The school opening 5 minutes earlier has also helped alleviate the situation.

**17.14 Parishioners Question Time** – None

**17.15 Apologies** –Cllr A Jackson and Cllr R Taylor.

**17.16 Minutes of the meeting held 11<sup>th</sup> January 2017**

Minor amendments were made to names and these were approved by the meeting and signed by the Chairperson as a true record.

**17.17 Matters arising from the minutes not already covered in an agenda item.** –The Tree of Imagination sign has returned. The Clerk has had a number of emails asking for directions and so the location will be made clear on the website as well as a request asking visitors to park considerately and safely when visiting.

**17.18 Reports from the Unitary Authorities** – Cllr Walton was thanked by the Chairman for his regular attendance at meetings. He reported that there had been a spat of break ins to out buildings in the Cheshire east area and suggested people should ensure their sheds and out buildings were secured.

The ‘sinkhole’ that has appeared on the A50 at the end of Middlewich Road. Works are ongoing but it is hoped the road will be partially opened in the next few days with temporary traffic lights.

**17.19 Highways**

**Walk to school** – Cllr Mark Stocks is looking into finding the remaining funding for the footpath, but there has been no response from him regarding this. The scheme seems to have come to a halt. It was proposed that the Parish Council to try for a seasonal agreement for a temporary footpath with the adjacent field. This was agreed and the Clerk is to follow up.

**Footpath Nether Peover** – The dumping of rubble continues, however CWAC seem to be uninterested. It is having a detrimental effect on the surrounding roads in terms of potholes. Clerk is to ask Natural England for advice.
